

Quick Look at Afterschool Programs in NH

Elementary & middle school students in NH gave us their top three reasons for attending an afterschool program:

1

Home-work help

More than half of students who regularly attended an academically focused afterschool program in NH improved their overall academic performance.

2

Spend time with friends

A sense of belonging has been linked to student success. Afterschool programs provide a space for youth to connect with peers and form friendships.

3

Be in a safe place

Youth are more likely to be the victim of violent crime between 3 and 6pm. It is also the time when kids are most likely to experiment with drugs and alcohol.

Quick Look at Afterschool Programs in NH

Parents in NH gave us their top three reasons for sending their child to an afterschool program:

1

Home-work help

NH teachers reported that students showed major improvement in homework completion & accuracy after attending an afterschool program.

2

High-quality staff

Many NH afterschool programs employ staff with a bachelors degree or higher & turnover rates are low which helps build trust between staff & students.

3

Safe environment

NH has over 500 licensed before & afterschool sites around the state. Licensed programs must follow strictly enforced health and safety guidelines.
